Cat. No. FLP100050

PRODUCT INFORMATION

Tag C-Flag Tag

Target CD81

Synonyms CVID6; S5.7; TAPA1; TSPAN28

DescriptionHuman CD81 full length protein-synthetic

Delivery 3-4 weeks
Uniprot ID P60033
Expression Host HEK293

Protein Families Druggable Genome, ES Cell Differentiation/IPS,

Transmembrane

Protein Pathways B cell receptor signaling pathway

Molecular Weight The human full length CD81 protein has a MW of

25.6 kDa

Formulation & Reconstitution

Background

Store at -20°C to -80°C for 12 months in lyophilized form. After reconstitution, if not

Storage & Shipping intended for use within a month, aliquot and store at -80°C (Avoid repeated freezing and thawing).

Lyophilized proteins are shipped at ambient

temperature.

The protein encoded by this gene is a member of the transmembrane 4 superfamily, also known as the tetraspanin family. Most of these members are cell-surface proteins that are characterized by the presence of four hydrophobic domains. The proteins mediate signal transduction events that play a role in the regulation of cell development, activation, growth and motility. This encoded protein is a cell surface glycoprotein that is known to complex with integrins. This protein appears to promote muscle cell fusion and

known to complex with integrins. This protein appears to promote muscle cell fusion and support myotube maintenance. Also it may be involved in signal transduction. This gene is localized in the tumor-suppressor gene region and thus it is a candidate gene for malignancies. Two transcript variants encoding different isoforms have been found for this gene. Usage Research use only
Conjugate Unconjugated

ELISA assay to evaluate CD81-Nanodisc 0.2µg Human CD81-Nanodisc per well

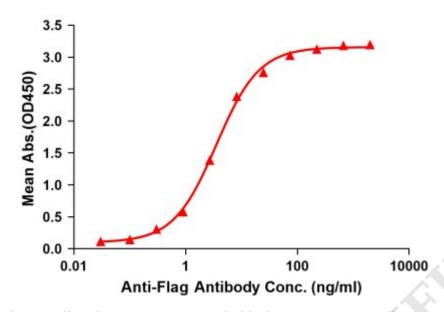

Figure 1. Elisa plates were pre-coated with Flag Tag CD81-Nanodisc ($0.2\mu g/per$ well). Serial diluted anti-Flag monoclonal antibody solutions were added, washed, and incubated with secondary antibody before Elisa reading. From above data, the EC50 for anti-Flag monoclonal antibody binding with CD81-Nanodisc is 3.551ng/ml.
